

Directions to reach Dream Mountain Resort

Just as you reach the outskirts of Joshimath town, you will see an Army TCP(Traffic control point) to your left and a gate as shown in the picture.

Immediately after the gate, there is a bifurcation in the road: straight ahead the road leads to Joshimath town, and the road climbing to the right goes to Auli. You take the road to Auli.

Among the sign-boards to the left of the Auli road you will also see a sign-board of Dream Mountain Resort displaying our signature rainbow pyramid against a black background.

Drive slowly because about 700 meters ahead on the Auli road there will be another sign-board of Dream Mountain Resort on the left hand side, as shown in the picture.

A forest road leads to the right. You have to immediately take the right turn into this road. (Please note that the Forest Department sign board is now no longer there)

The picture above shows how you have to take a sharp right turn and leave the Auli road to proceed on the forest road.

Soon you will reach the entrance of the Divisional Forest Office. The picture below shows how it will look.

Here you have to follow the road to the left. Do NOT enter the gate with the signature red and green colours of the Forest Department. You will see a sign-board against the wall confirming that you continue on the road. The foto below shows how it will look.

Continue on this road till the end (about 1 km) to reach Dream Mountain Resort.

Note: You are advised to get in touch with us on the day of your travel, specially when you reach Pipalkoti, which is about one hour drive from Joshimath. Contact numbers are: 8449063652
